It looks like the spill occurred about 11 miles NW of Arnegard, so that means it was on state lands. See article below:

<http://www.jamestownsun.com/content/saltwater-spill-unlikely-affect-lake-sakakawea-officials-say-2>

Another pipeline brine spill in the Bakken. This time it was Oasis Petroleum Inc. The spill reached a creek that drains into Lake Sakakawea. I will start researching to see if the spill was on the Ft. Berthold.
